

SPRING / SUMMER 2007 INTERNSHIPS @

# TRANSMYT

Transmyt Marketing & Creative Services has an open invitation to all Graphic, Digital and Interactive Media Design Students interested in internship opportunities. You will work under the direct supervision of an art director on "real" accounts. You will work on both individual and team projects and learn about how to design for commercial application with deadlines. The atmosphere is fun and relaxed, wear jeans to work, bring your ipod with you. The hours are flexible to accommodate your course schedule. If you are serious about design and want to experience a fun atmosphere where you will learn a lot, then this is the place for you.

## Graphic Designers,

Please have knowledge of the basic design programs: Adobe Photoshop, Illustrator, Indesign or Quark

## Interactive and Media Designers:

Please have knowledge of basic programs such as PhotoShop, and Dreamweaver. Flash Animation knowledge is a big plus but not required

If you are interested in the internship opportunity, please call 617.879.3460 or email [internships@transmyt.com](mailto:internships@transmyt.com)
